## What is the Platinum Series?

### PLATINUM SERIES

The Platinum Series ribbon has been created to enable you to identify which of our quality products are proudly designed and manufactured in New Zealand by Steelfort. Steelfort is a family owned and operated business which was founded in 1946. Since inception, Steelfort has been proudly creating mowers to suit every kiwi backyard. Platinum, by essence, represents exceptional quality and that is exactly what this range captures. The Platinum Series is made by Kiwi's for Kiwi's.

# TRIED AND TRUE

Tried and True is the place to turn to when you need products you can rely on. It's where you'll find high quality and trusted brands for your backyard and beyond.

The products in this catalogue are brought to you by Steelfort and are available from select stockist nationwide. To find your local stockist visit [steelfort.co.nz](http://steelfort.co.nz)

18 months interest free with no repayments. Normal credit and lending criteria and fees including \$55 establishment fee and annual account fee (\$52 Gem Visa / \$50 Gem Creditline) apply. Minimum purchase \$250.00. Payment for your purchase will be deferred for the stated period. During the deferred payment period, no interest will accrue and no monthly payments need to be made. If you do not pay the outstanding balance in full before the end of the deferred payment period, the amount payable will accrue interest and will be included in the minimum monthly payment amount shown on your monthly statement. Prevailing interest rate (currently 25.99% p.a.) applies to any outstanding balance on the expiry of the interest free period. Gem Visa / Gem Creditline is provided by Latitude Financial Services Limited. Offer is from 1 November 2019 – 31 January 2020.

Prices shown in this mailer are valid from 1 November 2019 – 31 January 2020 or while stocks last. Some specifications may vary in stores. Not all product lines are available from all stores. Pricing and product specifications may be subject to change without prior notice. Image may not reflect retailer inventory and/or unit specifications.

## COUNTAX

For over 30 years, Countax has led the way in the design and manufacture of garden tractors and ride on lawn mowers. They are the preferred choice for gardens featuring large lawns, orchards, paddocks and slopes. Countax garden tractors are designed to cut and collect grass even in the wet and are extremely versatile. With outstanding product quality and reliability, they feature one of the best cut and collect systems in the world. Even in wet weather they can cut and collect grass with ease and create the perfect striped lawn finish. With a range of models to choose from and with various cutting decks and accessories available, we believe that Countax garden tractors provide the ultimate in garden care.
